CONTENTS

No. 1—May

PAGE

MARIANO, M., and W. G. SPECTOR. The formation and properties of macrophage polykaryons (inflammatory gaint cells) (Plates I–XXI) 1

GAULT, E. W., T. W. H. LEUNG and D. P. THOMAS. Clear cell renal carcinoma masquerading as thyroid enlargment (Plates XXII and XXIII) . . . 21

TAM, C. S., R. REED and B. CRUICKSHANK. Bone growth kinetics I. Modifications of the tetracycline labelling technique 27

TAM, C. S., R. REED, J. E. CAMPBELL and B. CRUICKSHANK. Bone growth kinetics II. Short-term observations on bone growth in Sprague-Dawley rats (Plate XXIV) 39

MAGZOUB, M., and S. E. I. ADAM. Experimental infection and hepatic changes in mice infested with *Schistosoma mansoni* (Sudan strain) (Plates XXV and XXVI) . 47

BUTLER, W. H., VALERIE HEMPSALL and L. MAGOS. Cation movement during carbon disulphide-induced liver injury 53

TUFFREY, MAUREEN, JEAN HOLLIDAY and R. D. BARNES. Renal lesions in tetra-parental NZB↔CFW mouse chimaeras simulated in NZB by injection of CFW spleen cells (Plates XXVII and XXVIII) 61

No. 2—June

DASTUR, DARAB K., and ARUN S. DABHOLKAR. Histochemistry of leprous nerves and skin lesions: Acid phosphatase (Plates XXIX–XXXII) 69

BUTLER, W. H., VALERIE HEMPSALL and L. MAGOS. Histochemical studies of hydropic degeneration of the rat liver induced by carbon di-disulphide (Plates XXXIII–XXXVII) 79

CARR, I., and F. MCGINTY. Lymphatic metastasis and its inhibition: an experimental model (Plates XXXVIII–XLVII) 85

JONES, J. HAROLD and C. RUSSELL. The history of chronic candidal infection of the rat's tongue (Plates XLVII–L) 97

JEFFREE, GRACE M. Enzymes of round cell tumours in bone and soft tissue: a histochemical survey (Plates LI–LIV) 101

SALM, R. Ovarian hilus-cell tumours: their varying presentations (Plates LV-LVIII) 117

AHMED, ALI. The myoepithelium in human breast carcinoma (Plates LIX–LXXI) . 129

BOOKS RECEIVED 137

No. 3—July

SUBBUSWAMY, S. G., S. S. TULPULE and R. K. GADGIL. Elastic tissue in chondrosarcomas (Plate LXXII) 141

BURRY, A. F. Extreme dysplasia in renal epithelium of a young woman dying from hepatocarcinoma (Plates LXXIII and LXXIV) 147

PAGE

WILSON, PATRICIA D. Characterisation of spontaneous and induced epithelial and mesenchymal tumours by their enzyme patterns (Plates LXXV–LXXVIII) . 151

AHMED, ALI and MALCOLM L. CHISWICK. Origin of osmophilic inclusion bodies in type II pneumocyte (Plates LXXIX–LXXXII) 161

CUMMINS, PATRICIA A., H. FOX and F. A. LANGLEY. An electron-microscope study of the endometroid adenocarcinoma of the ovary and a comparison of its fine structure with that of normal endometrium and of adeno-carcinoma of the endometrium (Plates LXXXII–XCII) 165

CARR, I., J. C. E. UNDERWOOD, F. MCGINTY and P. WOOD. The ultrastructure of the local lymphoreticular response to an experimental neoplasm (Plates XCIII-CIV) 175

HURLEY, J. V., and N. E. N. MCCALLUM. The degree and functional significance of the escape of marker particles from small blood vessels with fenestrated endothelium (Plates CV–CXV) 183

JACKSON, M. R. The nature of dimethylnitrosamine induced enlargement of rat hepatocyte nuclei (Plate CXVI) 197

No. 4–August

AHMED, ALI. The myepithelium in cystic hyperplastic mastopathy (Plates CXVII-CXXII) 209

CASTRO, J. E., and R. A. SELLWOOD. Effects of aldosterone antagonists on organ cultures of human prostatic tissue (Plate CXXXIII) 217

SELLWOOD, R. A., and J. E. CASTRO. The effect of hormones on organ cultures of human mammary carcinoma (Plate CXXXIV) 223

HOOPER, P. T. The pathology of *Senecio jacobaea* poisoning of mice (Plate CXXXV) 227

BUSUTTIL, A. Ectopic adrenal within the gall-bladder wall (Plate CXXXVI) . . 231

JABARA, ANNE G., FELICITY C. WILSON and R. J. FISHER. Effect of early inhibition of DNA synthesis by hydroxyurea on 7,12-dimethylbenz(a) anthracene mammary carcinogenesis in the rat 235

POLTERA, A. A., and N. KATSIMBURA. Granulomatous hepatitis due to *Stringyloides sterceralis* (Plates CXXXVII-CXL) 241

SALYER, WILLIAM R., and DIANE C. SALYER. Unilateral glomerulonephritis (Plates CXLI and CXLII) 247

OBITUARY. Clara Stewart (*née* Eglington) (Plate CXLIII) 253
